

Birds on a Fence

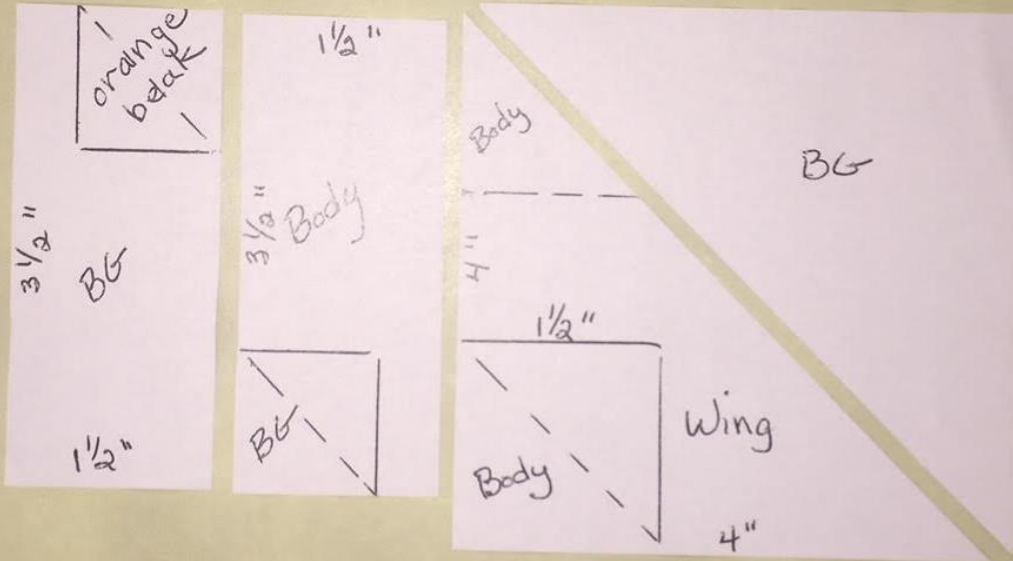

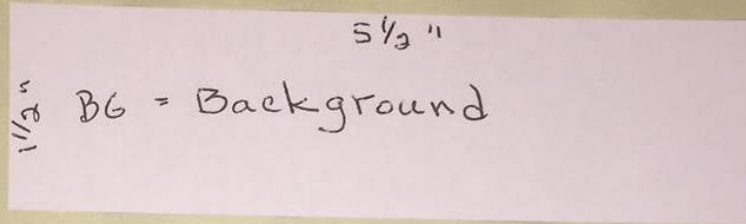

Cut 1 orange 1 1/4" square for beak

Cut 1 1 1/2" x 3 1/2" rectangle for body and 2 1 1/2" sq. for on the wing. Any color.

Cut the wing triangle from a 4" square. Any color.

Cut 2 brown rectangles for legs, 1" x 2 1/2".

Place these in the following positions.

Sew the body color on the wing and trim. Sew the diagonal putting the wing and background together. Trim the resulting square to 3 1/2" square. Sew orange on background and background on the body. Then all the middle pieces together. On the bottom, the piece can be cut and the legs added or they can be sewn on top. Finished size 5 1/2" x 6 1/2".
