## PRESIDENT'S MESSAGE

As the past president I have a challenge for you all, whenever the guild needs some volunteers step up and volunteer, after all it is the volunteers who keep the guild running and this is your guild and it is only yours for as long as people are willing to do the work.

Now for some fun. The next time you need a tool for one of your special projects before you go running to JoAnn's or the internet go out and raid our husbands tool box. You may find the tool you need or one that will work. Then go to Harbor Freight or Home Depot and buy the tool. It will be a lot cheaper than one sold in a quilt shop. I have raided my husband's tool box so many times he now keeps it locked so I can't get into it.

## Comfort Quilt Update

No Comfort Quilts were given out in June. There are lots of quilt bundles to be quilted. There is more donated fabric that has been received so if you need fabric for a back come take a look. Shelves are full. A big thank you for all the donations.

### July Comfort Quilt Block (Spool and Bobbin)

Makes two 5 1/2" unfinished blocks

You will need:

A - One 5 7/8" square of medium to dark; cut diagonally in half once to yield 2 half square triangles

B - Two 3" squares of different medium to darks

C - Two 3 3/8" squares of light beige tone on tone; cut diagonally in half once to yield 4 half square triangles

Attach two C pieces to piece B to form triangle; then sew to piece A. You have enough pieces cut to make two blocks.

In years past we would publish two blocks of the month patterns in each newsletter. One would be designated for comfort Quilts, This block came from the 2008 July issue. I tried one and they are easy. Just an extra pattern for ideas for comfort quilts.

## Picnic

26 ladies attended our June "Picnic" at the Pautler Senior center. Mary Ann welcomed everyone and there was a short Show n' Tell prior to diving into a delicious potluck, Pam Brooks had three stunning Quilts, one was reversible. Earlinia Scott had two comfort quilts that were pieced by a long time member Betty Knopes. Betty is busy getting some of fabric sewn up in preparation for moving to Oregon to live with her daughter. We had two guests, Tammy Blackburn and Dixie Howard.

After the potluck Susan and Vicki organized three tables to play "Left, Right, Center" using dollar bills. Winners were Pam Brooks, Barbara Fazenbaker and Lisa Hartwig. Congratulations Ladies.

Below is Kari's recipe for the cobbler at the Picnic Potluck.

### Peach and Pineapple Cobbler

#### Ingredients:

- 2 - 15 oz. cans Peaches
- 1 - 15 oz. can Pineapple
- 1 Yellow cake mix
- 1 cornbread muffin mix (Krusteaz is my favorite)
- 3/4 Brown sugar
- 1/2 cup chopped walnuts or pecans
- 1 stick butter or margarine

#### Preparation:

Preheat oven to 350 degrees. Pour all cans of fruit into a 9X13 cake pan (juice and all). Then, sprinkle 1/2 of the cornbread/ muffin mix over the top, just enough to cover and dust it. After that, sprinkle the whole yellow cake mix over the top. Cover the fruit and juice completely. Be sure to use the entire package. Then, sprinkle the brown sugar over the top of the dry cake mixture. Next, spread the nuts over the top evenly. You can use more or less than what the ingredients call for depending on your taste. Last, cut the stick butter or margin into slices. (you will need at least 12) and place each slice on the top in a grid pattern until most of it is covered. Place in preheated oven for about 40-45 minutes, until all cake mix is cooked. Sometimes you will have sections of cake mix that doesn't get liquid to it to cook up Cake-like. If this happens, just take a butter knife and lightly work the mix in that section into the juices. Be gentle and don't over do it.

This cobbler is great with cream, whipped cream, ice cream or just plain.
